## EVENTS

**Social Events Menu 2026**

Rooted Boutique Events is a boutique catering and event company that has serviced the Central Pennsylvania market since 2020. Rooted offers creative, colorful, and exciting event options paired with freshly prepared food. Our menu of inventive dishes is inspired by traditional American favorites as well as Calabrian cuisine—the region in Italy where the Misiti family originates—and offers our clients an experience that they can’t get anywhere else. We embrace the power of both community and family. As such, we take value in doing business with local purveyors and responsibly sourcing quality ingredients. Together, we create an experience that is memorable to you and your family.

Since launching our event space in 2026, we have prided ourselves on being rooted in the community and offering something unique to the New Cumberland area. From community events to corporate meetings, social gatherings and weddings, Rooted Boutique Events can provide anything that you can dream up or imagine. We’re very excited to create unforgettable memories for friendships and families and to offer a third space for everyone.

*Sincerely, Amanda + Gary Misiti*
